## Camping

Arrangements have been made with nearby Netley SC to provide camping over the weekend of the CSSC Dinghy Championships. The camping ground is next to Netley SC in the Royal Victoria Country Park, a distance of about 400m from Netley Cliff SC. To avoid disappointment, please let us know whether you definitely want to camp by filling in the form opposite and returning it with your Entry.

If availability becomes an issue, we will allocate spaces on a first come, first served basis, so a prompt reply is a good idea.

Netley Cliff officials will be present at NCSC on the evening of Friday 18 June to welcome visiting crews, assign boat park spaces and give out camping permits.

Rates will be as follows:

£12 per tent for a maximum of 2 adults, £1 per additional adult, no charge for under-16s. (If you have two one-person tents that fit into the space that an average two-person tent would occupy, we'll charge you for one tent.)

Netley SC allows tents, motor-homes and trailer tents but not Caravans. Access is gained via a key-coded gate, for which the code will be made known on your arrival at NCSC. Netley SC will contact the Park management to ensure that the main park gate remains open overnight. The clubhouse will be locked at night but there is a WC and sink in the building at the SE end of the camping field. Netley SC kitchen is open for breakfast and throughout the day on Saturday and Sunday, but we anticipate that most people wanting to buy breakfast will avail themselves of the legendary NCSC facilities!
